

A modern bedroom interior featuring a large window on the left that looks out onto a lush green forest. The room has a minimalist design with a low, light-colored wooden bed frame. Behind the bed is a headboard made of vertical wooden slats. On the bed, there are two pillows, one white and one dark. A white, ribbed lampshade is positioned behind the bed. The floor is covered with a dark, textured rug. The overall atmosphere is serene and natural.

A photograph of a modern, two-story house at dusk. The house features a prominent entrance with a dark wood door and a large glass window to the left. The interior is visible through the glass, showing a colorful play area. The house has a flat roof with wide eaves and is illuminated by warm interior and exterior lights. A large, semi-transparent white rectangle is overlaid on the center of the image, containing the text "Don't Forget" in a black serif font. The foreground is a well-maintained green lawn, and a modern fence is visible on the right side.
